#	SUGGESTIONS FOR HOW THEY CAN BETTER MEET THEIR MANDATE:	DATE
1	greater engagement of board members. More focus on strategic issues.	4/24/2019 12:10 PM
2	The board could push a little harder to have the OGC be more responsive to the public and today's climate, esp. re. regulation	4/12/2019 5:45 PM
3	Motions to receive correspondence so there is opportunity to discuss	4/9/2019 1:59 PM
4	Dig a little deeper on some of the material brought by senior College staff	4/9/2019 9:01 AM

BOARD OF GOVERNORS SELF-EVALUATION 2018-19

Q5 Are there areas of additional training that you or the board need?

Answered: 8 Skipped: 7

#	RESPONSES	DATE
1	Nice approach to orientation, but it's a small part of what's needed. Engagement of the governors is low. Why? Are they not comfortable? Do they understand everything? do they think they don't know all the info - some is in the past? How can we better prepare people?	4/24/2019 12:10 PM
2	I think training has been provided effectively on an as-needed basis.	4/23/2019 10:58 AM
3	No. I've received sufficient training so far.	4/16/2019 11:27 AM
4	Not specifically. The finance training was very helpful. I like to occasional presentations by various departments (eg HR, Education, Marketing etc) about what they are doing and how it affects the college community. We have far less of those with out full schedules lately but I think they are valuable, especially for the appointees who don't work in the college.	4/15/2019 2:55 PM
5	I missed the orientation so labor relations would be a good topic.	4/9/2019 4:48 PM
6	Not that I can identify.	4/9/2019 9:38 AM
7	Board orientation could include procedure for agenda setting and when to pose questions.	4/9/2019 9:03 AM
8	More Finance training would be good. The session on 1 Apr was a good start.	4/9/2019 9:01 AM

BOARD OF GOVERNORS SELF-EVALUATION 2018-19

Q8 Do you have any other comments related to the board and its operation?

Answered: 9 Skipped: 6

#	RESPONSES	DATE
1	Lots of capable people around the table. Excellent senior exec team and well prepared. The board acts more like a foundation or community board, rather than a strategic board. It feels as if there are opportunities to value, beyond giving approval.	4/24/2019 12:10 PM
2	The Board is well run and supported by Sherri and her team. Excellent job!	4/16/2019 11:27 AM
3	Not really, except I cannot say enough good things about Heather! Quiet uber-efficiency personified.	4/15/2019 2:55 PM
4	Audit seems a bit heavy in terms of regular issues (v.s. necessary dealings with special issues). Unrelated, do you need an extra person?	4/12/2019 5:45 PM
5	Periodic team building with and among Board and staff would help.	4/9/2019 4:48 PM
6	The Board Executive has done an excellent job of keeping members informed of issues that are under consideration. I think everything has been in place for the board to make considered decisions.	4/9/2019 10:42 AM
7	Not at this time.	4/9/2019 9:38 AM
8	Perhaps we could invite someone from BRDO to Executive Committee meeting to discuss transition plans.	4/9/2019 9:03 AM
9	I am disappointed that Stefan Fletcher was removed. I thought he asked excellent questions. We need to keep asking the important questions.	4/9/2019 9:01 AM

IV BOARD MEMBER REPORTS**1. Chair's Report**

Ron Rice, Chair, met regularly with Sherri Bell for planning. Ron welcomed the students to the Eyē? Sqâ'lewen: The Centre for Indigenous Education & Community Connections student awards ceremony on March 28. Ron noted there is nothing more inspirational than seeing what the students are doing, and encouraged the members to accept the invitations to the awards.

Ron acknowledged all the time that Cindy Choi and Deborah Huelscher put into developing the Finance Basics training on April 1. We will offer the training annually going forward. Congratulations to Joanne Cumberland who has been acclaimed to the staff position on the board for the next three years. The elections results will be announced after April 10.

The annual board self-evaluation will go out electronically tomorrow, with a one-week deadline. After the results come in, the Board Executive will schedule meetings with each member for one-on-one interviews. The results will inform the orientation in the fall.

The Board Award for Innovation and Community Partnership celebration took place on April 4. The Songhees Nation was the recipient. Ron asked the members for their comments.

- I was 'blown away' by how classy it was. The students who did the food and hosting were outstanding. They seemed to be professionals rather than just learning. The food was fabulous. The ceremony was so moving. I was impressed with how the Chair and board members took part in the ceremony. Altogether it was very well done.
- It was seamless. If I didn't know the students had organised it, I would have thought it was done by a professional event organiser. It was very well done.
- It was excellent, it was great to see so many, and such a variety, of guests from the community. I would have liked little plates in addition to the napkins.
- It was a great event. It was the first time she saw an event that integrated the First Nations Oral Tradition, and it was very enlightening for her. Event itself was great. The cart service from the parking lot to front door was a pleasant surprise. The students did a great job greeting and welcoming the guests. The drink coupon was a little bit too small.
- It was a fabulous event. It was well organised. The first impression was wonderful, to be greeted and shown in by the students. The elders, on arrival, were escorted in, and that sent an important message to all the guests.
- The frame for the woven blanket was a loan. Al van Akker will build one for a permanent display at the Songhees Wellness Centre.
- Chief Ron Sam was really touched by the blanket and the way it was displayed and he will put it up for display in the Songhees Wellness Centre.
- Thank you to everyone involved in putting on the celebration. We have had the award for a while, but began a new process this year. Many had their hand in working with the students. The students were outstanding. We were very fortunate to have a board chair to help work through the ceremonial piece. We were asked by the Songhees Nation to do the Oral Tradition Ceremony. There was a lot of learning for everyone, with lots of changes. Geoff Wilmshurst blanketed the Speaker Al Sam. The Family put money in a pouch pinned to the Speaker. It was about honoring the people in their tradition. The

Songhees Nation were really touched by it. It was a beautiful event, and it worked really nicely. Thanks to everyone involved for the amount of effort that went in.

2. President's Report

Sherri Bell, President, reported the Technology Access Centre in the Babcock lab received \$250K from the Province. We received year-end funds last week for the Health Care Assistant; Mental Health Support; Supplemental Indigenous Emergency Fund; and Technology Skills Youth Sampler. We received \$1.4M for the development of the Sonography program.

Sherri attended the Summit Round Table on the Provincial Innovation Framework where three Ministers sought feedback from technology companies on the Innovation Framework. Federal Minister Duclos came to Camosun Innovates for a Federal budget announcement, and was excited to see Camosun's work with industry.

Sherri attended a Greater Victoria Chamber of Commerce meeting in which Minister Joyce Murray heard from three post-secondary presidents and industry. Sherri was asked by Victoria Foundation to do a podcast for Vital Signs, about Camosun. We hosted the BC Construction breakfast last Tuesday. One of our instructors, Jamie McPherson, received an award from them. Sherri has been working on the transition plan for the move of Health and Human Services to Interurban in September. Plans are underway to have additional food, parking, counseling, and library services in place. Island Health announced a student with measles was at Camosun recently. The information was distributed widely, and all students have been informed.

3. Foundation

Monty Bryant, Foundation Liaison, noted they are working on developing their code of conduct, and are aligning it with the board's standards of conduct.

i) Fundraising update

Geoff Wilmshurst, VP Partnerships, advised the Health Building campaign has raised \$3.3M of their \$5M goal. There is \$1.3M out in requests. Student financial support in 2018 was \$965,500. 39% of that went to student awards, and 61% went to bursaries. Annual revenue saw the beginning of real increases in 2014 with the Trademark Campaign. There has been an increase in support annually since then, and staff have been added in Advancement. Much effort is going into Alumni relations.

4. Education Council

Brenda McBain, Liaison, noted Education Council provided a lot of input on the development of the Academic Integrity policy and the draft Student Conduct policy. Tim Ayers, Education Council Chair, noted the minutes from the February 20, 2019, meeting were included in the agenda package. Tim went over the highlights of the March 20, 2019, meeting, which included the approval of the request for an increase in the reserved Indigenous Ancestry seats in BSN.

5. Pacific Institute for Sport Excellence (PISE)

Phil Venoit, PISE Board of Directors member, noted they have not met since the last board meeting.

V BOARD COMMITTEE REPORTS**1. Executive Committee**

Ron Rice, Chair, Executive Committee, noted they finalized the program for the Award for Innovation and Community Partnership Ceremony on April 4, including the Songhees Oral Tradition ceremony. They established the process for this year's annual board self-evaluation and one-on-one interviews, and set the agendas for today's meetings. The Government is offering the chair, president and two newly appointed board members a one-day training session 'Governing in the Public Interest' in Vancouver on May 23, 2019.

i) Indigenous Ancestry Student Seats in BSN

The Board Executive supported an increase to the number of seats reserved for qualified students of Indigenous ancestry in the Baccalaureate of Science in Nursing (BSN). John Boraas, VP Education, noted Camosun is applying to the BC Human Rights tribunal to increase the number of reserved seats from five to ten percent. The Indigenous Advisory Committee, Education Council, and the University of Victoria all support the request.

MOTION:

THAT THE CAMOSUN COLLEGE BOARD OF GOVERNORS INCREASE THE PERCENTAGE OF LIMITED PRIORITY SEATING IN BACCALAUREATE OF SCIENCE NURSING PROGRAM FOR STUDENTS OF INDIGENOUS ANCESTRY FROM 5% (8 STUDENTS) TO 10% (A TOTAL OF 16 STUDENTS) FOR SEPTEMBER 2020.

CARRIED

2. Finance Committee

- i) The minutes from the January 28, 2019, Finance Committee meeting were included in the agenda package.
- ii) Cindy Choi, Chair, Finance Committee, gave a report on the April 1, 2019, meeting. Before the meeting, Cindy and Deborah Huelscher, CFO & Interim VP Administration, hosted an optional training session in Finance Basics. The budget process was reviewed in detail. We are delivering a balanced budget that aims to deliver as many student FTEs as possible, that provides high quality programs at a reasonable cost, that meets student and community needs, and that provides capacity for investment in alignment with the strategic plan. It includes the Campus Master Plan and the inter-campus moves in September. It is a status quo budget with some modest growth and re-allocation of funds.

MOTION:

THAT THE CAMOSUN COLLEGE BOARD OF GOVERNORS APPROVE THE COLLEGE'S BUDGET FOR THE FISCAL YEAR 2019/20 WITH TOTAL REVENUE AND TOTAL EXPENDITURE OF \$145,937,583 RESULTING IN A BALANCED BUDGET.

CARRIED

VI APPROVAL OF THE MINUTES

The minutes of the March 4, 2019 meeting were approved as distributed.

VII NEW BUSINESS**1. The Alex and Jo Campbell Centre for Health and Wellness Update**

Sherri Bell noted the building is on time and on budget, and showed the photos of the interior. There will be a grand opening in the fall. There are floor-to-ceiling windows and skylights, so the classrooms and common areas get natural light. The views are spectacular. The social staircase is still under construction. It starts outside and moves inside. There will be live trees growing in the centre. The Indigenous space, which is circular and has cedar, opens up to create larger space.

2. West Shore

Sherri Bell advised Royal Roads University, University of Victoria, Camosun College, and School District #62 worked with a consultant on a Province funded feasibility study on a post-secondary presence in the West Shore. Last week it was submitted to Government. A business case will be announced tomorrow for the next phase. The same partners will meet again to discuss how to move forward.

3. Bargaining Update

Barbara Severyn, Executive Director, Human Resources, advised BCGEU met last week. The Federation of Post-Secondary Educators (FPSE) is working on the secondary scales issue, which affects other institutes. There is one more day to meet with CCFA on local bargaining protocol. CUPE is not at the multi-employer table, so must wait until the end of April or early May.

VIII ADJOURNMENT

REPORT TO THE BOARD OF GOVERNORS

SUBMITTED BY: Sherri Bell, President
TO: Camosun College Board of Governors
DATE: May 13, 2019
TOPIC: Annual Report to Board Sexual Violence and Misconduct Policy Implementation Report

For Information: X

For Decision:

For Discussion:

BACKGROUND

In May of 2016, the Provincial Legislature passed the British Columbia (B.C.) *Sexual Violence and Misconduct Policy Act* (the "Act"). The Act required public post-secondary institutions in B.C. to establish and implement a sexual misconduct policy by May of 2017.

Policies are required to address sexual misconduct/violence including sexual misconduct prevention and responses to sexual misconduct, and include procedures for reporting and responding to sexual misconduct involving a student.

CAMOSUN CONTEXT

In May 2017, the Camosun College Board of Governors approved the policy entitled *Sexual Violence and Misconduct* (E 2.9).

The policy included extensive input in the development stage from over 200 members of the Camosun community as well as external support from agencies, other postsecondary institutes and community partners.

Accountability for the policy rests with the College president as per both the provincial legislation and our own policy, and as such, I provide this report on an annual basis to the board. Specifically, the board approved *Sexual Violence and Misconduct* policy (E 2.9) indicates that:

The President of Camosun College will provide an annual update to the Board of Governors pertaining to the implementation of this policy, including but not limited to:

- *Student engagement and consultation*
- *Prevention, communication and awareness strategies*
- *Response*

POLICY IMPLEMENTATION

Student Engagement and Consultation

To establish the policy and ensure that the implementation included high levels of awareness, an extensive consultation process was developed that included students. This has continued since board approval in 2017 and has included:

- A Community, Family & Child Studies Diploma Program Practicum student within the Office of Student Support providing insight and direction on the development of the annual education plan.
- UVic's AntiViolence Project student-led consent workshops offered to Camosun students and employees. Based on the Let's Get Consensual project, the workshops provided participants

with the education, skills, and opportunity to understand and practice consent in a supportive and sex-positive space.

- Ongoing consultation and event/initiative partnership with the Camosun College Student Society (CCSS), including executive and board representatives.

Prevention, Communication and Awareness Strategies

Sexual violence prevention and education requires a holistic approach. Camosun's educational approach looks to develop a comprehensive strategy composed of educational components that equip students, faculty and staff with the awareness, knowledge and skills required to make social change at Camosun and beyond. The end goal is an environment where sexual violence is not tolerated and a culture of consent and respect is expected and demonstrated by all members of the College community.

In-line with the *Sexual Violence and Misconduct* policy (E-2.9), the goal of the education plan is to provide education, training and awareness to the College Community in order to:

- Increase the amount and quality of information and education to prevent sexual violence;
- Reduce trauma for people who have been hurt;
- Improve responsiveness and quality of service for victim/survivors; and
- Strengthen the capacity and support for staff whose positions support prevention or response to sexual violence on our campuses.

Since implementation, strategies have included:

- The development of a comprehensive web-landing page within the Office of Student Support - <http://camosun.ca/services/student-support/>
- Outreach and presentations to schools and administrative units by the Director Student Affairs, Student Support Manager and Campus Security Specialist.
- Consent Tea hosted by the Community, Family & Child Studies Diploma Program Practicum student within the Office of Student Support.
- Involvement in the National Day of Remembrance and Action on Violence against Women (December 6) by the Student Support Manager, Office of Student Support.
- Marketing of educational campaigns including posters, displays, and LCD slides.
- Booth outreach in high-traffic areas hosted by the Community, Family & Child Studies Diploma Program Practicum student and the Student Support Manager, Office of Student Support.
- Numerous pamphlets, handouts and business cards handed out to faculty, staff and students.
- Participation in the province wide British Columbia Ministry of Advanced Education, Skills and Training information campaign to raise awareness and to help prevent sexualized violence and misconduct - https://www2.gov.bc.ca/assets/gov/education/post-secondary-education/institution-resources-administration/prevent-sexualized-violence/3389_gcp_posters_8-5x11_hr-nt.pdf

Response

Camosun College is committed to creating and maintaining a healthy learning and working environment in which sexual violence and misconduct is not tolerated. The college understands that sexual violence prevention requires a holistic approach, and victim/survivors of sexual violence deserve support and to understand the options for resolution available to them under the *College's Sexual Violence and Misconduct* policy (E.2-9).

Under the Camosun Sexual Violence and Misconduct Policy, a student can choose from the following choices, in seeking a resolution to their situation:

- Disclosure
 - When an individual who has experienced sexual misconduct seeks support and/or accommodation, but makes no report or complaint to the college. A disclosure will not result in an investigation by the College, unless required by law or pursuant to a collective agreement or other College policy.
- Report to the college
 - When an individual who has experienced sexual misconduct or a third party individual makes a report to the College but does not file a formal complaint. The College will not commence an investigation when a report is made, unless required to do so by law or pursuant to a collective agreement or other College policy.
- Complaint to the college
 - When an individual who has experienced sexual misconduct or a third party individual makes a formal complaint to the college. This complaint process is non-criminal in nature and may initiate an investigation that will be overseen by the College.
- Report to the police
 - When an individual who has experienced sexual misconduct or a third party individual makes a report to the police, requesting that the police pursue criminal charges under the Criminal Code of Canada. A student choosing to pursue this option may receive assistance from the Office of Student Support, the Counselling Department, or Campus Security.

The following are actions taken to support victim/survivors and respondents:

- Victoria Sexual Assault Centre referrals
- Camosun Human Resources referrals
- Support students reporting to law enforcement
- Behavioral contracts
- External investigation
- Security led discussions with students
- Security escort of staff and/or student on campus
- Weekly monitoring of students by staff (Director, Chair, Security, Student Support Manager, Instructors)
- Parental involvement and/or support
- Mental health supports
- Addiction supports

NEXT STEPS

In the upcoming academic year, our focus will be on:

- Establishing an action team/working group, including broad representation from faculty, staff and students, to be responsible for overseeing the implementation of the education plan.
- Continue the implementation of the annual education plan.
- Determine and establish by-stander training program and dates.
- Continue development and implementation of trauma informed disclosure training for faculty and staff.

RE: Student Society Fee Levies 2019-2020

Dear Mr. Rice:

As required by the College and Institutes Act, the Camosun College Student Society is informing the Board of Governors that its 2017-2018 audit and more current un-audited statements are currently available to members and will also be presented to CCSS members at their Annual General Meeting on April 11th. The CCSS is required by the College and Institutes Act to request that the Board of Governors direct the collection and remittance of all CCSS related fee levies.

The schedule of proposed student levies for the 2019-2020 academic year is as follows:

Levy	2019 - 2020	Current 2018 - 2019
CCSS	\$10.80/month	\$10.52/month
BCFS	\$1.17/month until December 31, 2019. & \$2.34/month commencing January 1 st 2020	\$1.15/month
Advocacy and Campaigns	\$1.17/month until December 31, 2019	\$1.15/month
CASA	\$0.43/month commencing January 1, 2020	
U-Pass	\$20.25/month	\$20.25/month
Health	\$133/year	\$131/year
Dental	\$133/year	\$131/year
Childcare	\$1.13/month	\$1.10/month
Athletics	\$4.62/month	\$4.50/month
Recreation	\$3.22/month	\$3.13/month
Building Fund	\$4.16/month	\$4.05/month
Recycled Paper	\$0.15/month	\$0.15/month
Student Refugee Program	\$0.47/month	\$0.46/month

Some aspects of the proposed fee levies are presented a little differently than in previous years due to the fact that the CCSS ceased being a member of the Canadian Federation of Students in June of 2018 and that change set in motion a number of fee changes. In a fall referendum students allocated the CFS levy to a Campaigns and Advocacy fund until December 31, 2019 when the British Columbia Federation of Students levy increases to match the previous combined BCFS/CFS levy amount. In a related referendum also held in the fall of 2018, students voted to join the Canadian Alliance of Student Associations and implement a membership fee levy for that organization which commences on January 1st 2020.

Most CCSS levies have been increased by inflation in accordance with CCSS bylaws. The British Columbia Federation of Students levy is governed by the bylaws of that organization and has increased by CPI as well. The U-Pass levy is tied to the cost of the BC Transit adult monthly bus pass and is governed by the agreement that was approved by referendum in April 2001. The Health/Dental fees are governed by the terms of a referendum passed in 1999 and have slightly increased this year.

The Camosun College Student Society requests that the Board of Governors direct the collection and remittance of all proposed CCSS levies for the 2019-2020 academic year. We specifically request that the CCSS, BCFS, CASA, Advocacy & Campaigns, Student Refugee Program, and Health & Dental levies be collected and remitted directly to the student society. We also request that the U-PASS, Child Care, Athletics, Recreation, Building Fund, and Recycled Paper levies be collected and distributed as per the existing arrangements and understandings.

Yours truly,

Michel Turcotte
Executive Director

INDEPENDENT AUDITOR'S REPORT

To the Members of
Camosun College Student Society

Report on the Financial Statements

We have audited the accompanying financial statements of Camosun College Student Society, which comprise the statement of financial position as at March 31, 2018, and the statements of operations, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Society's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Camosun College Student Society as at March 31, 2018 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Report on Other Legal and Regulatory Requirements

1. PURPOSE OF THE ORGANIZATION

2. SIGNIFICANT ACCOUNTING POLICIES

These financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses reported during the year. Significant areas requiring the use of management estimates relate to the determination of net recoverable value of assets, in particular as it relates to the useful lives of capital assets, accrued liabilities and deferred revenue. Actual results could differ from these estimates.

Fund Accounting

The Society follows fund accounting using the deferral method of accounting for contributions. The major funds are described below.

Operating Fund

Revenues and expenses related to program delivery and administrative activities are reported in the general fund. This fund represents unrestricted resources.

The following funds are all internally restricted for the following purposes:

Capital Asset Fund

The Capital Asset Fund reports the assets, liabilities, revenues and expenses related to the Society's capital assets.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**Fund Accounting (Cont'd)***Building Fund*

The College collects funds through a student levy on behalf of the Society and remits the collected funds directly to the Camosun College Foundation where they are held in trust until such time as they are required for building development.

These funds include Nexus, Clubs, Events, Walk Safer, Contingencies in Future Benefits, First Nations Student Association, Pride, Students with Disabilities, Women's Centre, Sustainability, and the International Students Fund.

In accordance with the operating reserve policy, each of the groups carry forward up to \$1,000 of their budget surplus per year, except Events, Clubs, Walk Safer and the Fund for Contingencies in Future Employee Benefits.

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**Fund Accounting (Cont'd)***ii) Clubs Fund*

Interest income is recognized in accordance with the terms of the underlying investment which is generally with the passage of time.

Volunteers contribute their time to assist the Society in carrying out its activities. Due to the difficulty in determining the fair value of such services, the value of the donated services is not recognized in these financial statements.

Measurement of Financial Instruments

The Society initially measures its financial assets and financial liabilities at fair value. The Society subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets measured at amortized cost include cash, term deposits, and accounts receivable. Financial liabilities measured at amortized cost include accounts payable and accruals.

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Cash and Cash Equivalents

Cash is defined as cash on hand and cash on deposit, net of cheques issued and outstanding at the year-end and highly liquid term deposits.

The Society's statement of cash flows is prepared on a net cash basis and cash flows from operating activities are reported using the indirect method.

9. FINANCIAL INSTRUMENTS (CONT'D)

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

The Society is exposed to credit risk with respect to its cash, term deposits and accounts receivable. The Society assesses, on a continuous basis, accounts receivable on the basis of amounts it is virtually certain to receive. The Society's cash and investments are invested with a large financial institution.

Liquidity Risk

Liquidity risk is the risk of being unable to meet cash requirements or fund obligations as they become due. It stems from the possibility of a delay in realizing the fair value of financial instruments.

The Society manages its liquidity risk by constantly monitoring forecasted and actual cash flows and financial liability maturities, and by holding assets that can be readily converted into cash.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Society is exposed to interest rate risk on its cash and term deposits.
